I/CI Requirements on Case [REDACTED] (ORR 11892)

1. Synthetic Textile Fabrics.

- a. Discuss present problems of the industry.
- b. Discuss plans for future development of the industry, emphasizing (1) types of fabrics to be produced; (2) new factories to be built, with probable dates of completion; (3) proposed plant capacity for each new plant; (4) problems which may delay expansion as planned.

2. Labor Cooperatives Producing Textiles, Knitwear and Clothing.

- a. List the specific types of clothing or knitwear which are being produced to a considerable extent by such cooperatives rather than by state enterprises or private industry, and discuss this.
- b. List the types of textile fabrics, if any, which are being produced to a considerable extent by such cooperatives, and discuss this.

3. Private Industry and Private Artisans.

Same questions as under item 2, above.

4. "Cottage Industry", or "Industrial Home Work" (in relation to textiles, knitwear and clothing).

Describe: (a) how this operates in Poland; (b) to what branches of industry it is attached (state, cooperative, or private industry); (c) what specific clothing products are made in this way; (d) the quantitative importance of such production in relation to total production of such items in Poland.
